## Why should you sign up for the patient portal?

*Because you can ...*

- Message your provider with any questions that you may have at anytime.
- Have access to your lab results when requested.
- Request refills on your medications.
- View your clinic summaries from previous appointments.
- Request test results be sent to another facility.
- View upcoming appointments.
- Request referrals to other facilities.

## Accessing the Patient Portal

Accessing the patient portal is free and very easy to use. You can access it from your personal computer at home or on your smart phone when you are on the go. If you don't have access to a computer, you can always access it from our kiosks here in the lobby at the clinic.

You also can just have one log-in for your information as well as all your dependents. Keep in mind if you are a DPOA for a patient here at First Care Clinic, you also have access for them.
